NARRATIVE:

Andy Monreal is a documented gang member with an extensive adult criminal history that began at the age of 19. His convictions include carrying a concealed weapon, felon in possession of a firearm; possession of controlled substances while armed; possession of controlled substances, being under the influence of a controlled substance, resisting and failing to report. He has served multiple state prison terms, the longest being a 2 year term for possession of controlled substances while armed. Monreal was released from state prison to the supervision of the Los Angeles County Probation Department on September 17, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2014 after he absconded from post release community supervision (PRCS). Monreal qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of a controlled substance while armed is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
